THE COLDEST DAY OF THE SEASON-STATE OF

THE THERMOMETER IN RICHMOND AND ELSE-WHERE-ICE IN THE RIVER-THE SLEIGH-ING-AN ACCIDENT, AC.

The weather is still very cold-at least it is this New-Year's morning at 1 o'clockand all day yesterday the mercury was far below freezing. We have not experienced uch weather for years, and from present nelications it premises to remain very cold. Yesterday morning at 6 o'clock the mer-

bove zero, but the temperature was far below that figure in other parts of the city po to the country near Richmond. At 7 o'clock, at the corner of Grove ave-ne and Laurel street, the thermometer was own to 14° below zero-astonishing figures

or the suony South. At 731 west Marshall street, at 7:30 A. M. was 9° below zero; 94 A. M., 4° below; A. M., 4° above; 3 P. M., 15° above, and two hours it remained at 15°, but at 10

M. it had fallen to 4° shove zero.
At sunriseon Church Hill it was 8° below. id at the Chesapeake and Oblo railroad it

In Hanover county and in Henrico ad-

" HENRICO, Pecember 30, 1880. "The mercury at my residence fifteen minutes after sunrise to-day stood 8° below zero in a southeastern exposure. At 10 A. M. it was 10° above zero, 3 P. M. 20°, and now (twenty minutes to 5 P. M.) it is 15° above zero. My house being on the most elevated and in the western suburbs, the mercury stands lower than in the city." And so it was no doubt in other sections

adjacent to Richmond. The river, dock, basin, and canal remained frozen tight.

The steamers Wyanoke and Everman sailed yesterday, and, owing to the ice in the river, took several bours to make the through the ice buge piles rose up in front of slipped into the form on the third page the steamers, and the noise of the breaking an incomplete condition. of the ice, which was six inches thick in some places, was heard some distance from the river. In consequence of the river being frozen

no freight will be received at any of the wharves until the steamers can make regutar trips.

About sunset the Wyanoke and Everman

passed the bend below the Chesapeake wharves, and were going slowly down the

This remarkably cold spell of weather is attended with a lay of crisp snow the like of which is not seen in this locality once in a generation. We have had within the past Misses Palmer, at No. 211 Franklin street Misses McBair, of Norfolk, with Misses Palmer, at No. 211 Franklin street Misses McBair, of Norfolk, with Misses Palmer, at No. 211 Franklin street Misses McBair, of Norfolk, with Misses Palmer, at No. 211 Franklin street Misses McBair, of Norfolk, with Misses Palmer, at No. 211 Franklin street Misses McBair, of Norfolk, with Misses Palmer, at No. 211 Franklin street Misses McBair, of Norfolk, with Misses Palmer, at No. 211 Franklin street Mi male as long, but none, perhaps, in the memory of any one living, that came so dry, and, falling upon a bard-frozen surface, clad our streets and country in a Canadian covering that is almost impenetrable, even to the rays of a noonday's sun. Such sleighing as can now be seen in clime, and the rarity of the sport eral and Mrs. Logan, orner Adams and Richmond is not surpassed in any northmakes it all the more enjoyable. Sleight filling the streets in gay procession the livelong day. Everything is put on runnersbuggies, carriages, wagons, and boats. Everybody who can scare up a horse, resurrect an ancient runner, or improvise some thing that will slide, adds a bell to the tintinabulating reverberation. Franklin street street. is all life, and the occasion is heartily enjoy-The members of the Richmond press. or some of them at least, were among the number who enjoyed the sport. With a presentatives of the Dispotch, New York Mrs. T. A. Brandon. Herald, State, Associated Press, and members of the bar, armed with tin borns, drove

spent a pleasant bour. An event which happened in the afternoon about half-past 5 o'clock created s considerable excitement on the street and afterwards astonished the skaters on the basin. A gentleman was driving a dou- Baltimore, with Mrs. Paihp Haxall. ble team on Franklin street hitched to a sleight and when between Four h and Fifth streets he drove to the side of the roadway so as to avoid a party trying the speed of their horses. In doing this, one of the run-hers of his sleigh ran upon a bard-frozen snow-bank, the sleigh was upset, and be and the lady who accompanied him were both thrown out, but not burt. The horses trotted off slowly at first, but finding they had no driver they became alarmed and ran away down to Ninth street, into which they turned, and, reaching the basin, plunged down upon the firm ice. They slipped, made two more plunges forward, and one of the borses unfortunately slipped upon the edge of an air- WILLIAM GREEN, LL. D .- The Standard of ly until the fire had been a long time under into the water. A thoughtful bystander liam Green, LL. D. prepared by its his-cut the traces, which freed the horses, and torical editor, R. A. Brock, Esq. in an instant the sleigh was seized by the kappy skaters and was sent wnirling along over the ice amid the shows of those who enjoyed the sport. At first it was an odd day afternoon, fell and received a severe sight, and the crowd upon the ice were in- and painful cut over his left eye. ed amazed to see a team of horses com ashing on the ice as though they wanted o enjoy the fun too; but the situation was nutes, were taken out, one of them coniderably worsted from his exploit.

THE THEATRE-HAZEL KIRKS.-The play-toers of Richmond again evinced their apeciation of a meritorious performance o excellent piece by a large turnout at the atre last night. The audience was well leased with the repetition of Hazel Kirke y the Madison-Square Company, which is of the best we have bad on our boards r many a day. There was a long and some nat unnecessary delay between some of the and the doorkeeper at the middle ence down-stairs gave the people in his nity repeated doses of cold air by keepdoor open. With these exceptions play passed off handsomely. Hazel ke will be presented at the matinée this rnoon, and also to-night, which will clude the engagement of this excellent

or His Burns .- The little five-yearon of Mr. J. Shelton Ragiand, who badly burned on Tuesday last, died sterday. His parents bave the sympaour propte in their deep grief.

Oct-Office To-Day.—Sunday hours— sloned much to 4:30 P. M.—will be observed at the and freezing to-flee to-day. The carriers will not ably patient.

METFOROLOGICAL .- We give below monthly table of the readings of the ther-mometer, the course of the wind at sunrise, and the amount of rainfall for the month of December. The readings of the ther-mometer were taken in an elevated portion mometer were taken in an elevated portion of the city, free from any influence of refracted heat, and from French instruments, showing the highest and lowest points of the mercury during each twenty-four hours. It is believed that no better situation for observations of this observator can S LARGER THAN THE COMBINED CIRCL. tion for observations of this character can be found in our city. They have been carefully noted, and are believed to be absolutely correct;
